

Declaration for continuing COVID-19

We at UPBEAT have successfully made our way through the first wave, but want to reaffirm our commitment to providing quality education while protecting against the virus

UPBEAT will stay up-to-date through online means again, in the case of a state of emergency

You will not feel alone left at home. We will bond and create a sense of unity among the students.

UPBEAT will continue to support all students' education

We will make full use of ICT resources so that the students do not stop learning or fall behind.

OUR POLICY

UPBEAT will endeavor to prevent COVID-19 cases from occurring on campus

We will be meticulous with precautionary procedures and sanitation.

UPBEAT will keep you updated without delay

We will pay close attention to any government announcements and inform you quickly.

UPBEAT COVID19 PROTOCOLS

Precautions when Entering or Leaving the Country

If any children or staff enter Japan from overseas, a home quarantine period of two weeks will be required.

Health Management

We have a professional nurse at school who strives to protect the health of all staff and students.

Class Hygiene Management

We will continue using air purifiers in each class and following comprehensive cleaning and sanitizing practices.

Online Education

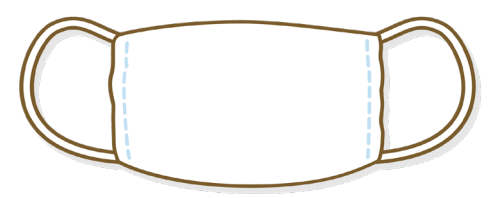

We are always ready to shift our system quickly and will provide premium Online Education.

Sanitizing and Temperature Checks

Preventive health measures before entering UPBEAT campus.

- 1, Mandatory use of a mask at all times

- 2, Temperature check
