~UPBEAT Corona Counter-Measures~  
It's mandatory for the guest to pass the 2 Weeks Temperature Record.

This year we're inviting Tonto the Clown as our special guest! Student will love the fun performance and the balloon art he will make for the class!  
I'm sure student will enjoy the themed street performances.  
We'll have different performances at each school building on each day (there is no difference between school buildings).  
If it is sunny/cloudy, the performance will be held in the schoolyard; if it rains, it will be held indoors. (We will take all possible precautions to prevent infection, but we will not be able to provide individual classes for viewing on the day.)
